PURPOSE

• Promote the physical, intellectual, emotional, social and spiritual health and well-being of the community, and

• Provide, manage, and oversee nutritional, resource, and educational services to individuals and families in the Worthington area.
Our large family experienced 3 job losses in 13 months!! We are educated & responsible, but we needed temporary help!
We were treated with respect and got great food!! This is the best pantry we have ever been to! Thank you!!
As an organization we aim to:

- Be useful to the community;
- Do what we do exceptionally well with available resources;
- Collaborate with others to minimize unnecessary duplication of activities or services;
- Work within a broad framework for health that considers physical, mental and spiritual aspects.
